

32nd Annual

Gingerbread Gallery

At the Erie Canal Museum Sponsorship Opportunities

The 32nd Annual Gingerbread Gallery will be held at the Museum from **Friday, November 20, 2017 to Sunday, January 7, 2018**. The delicious aroma of gingerbread and candy will waft through the air leading guests to the second floor gallery. Each year the Erie Canal Museum transforms into a festive 1800's street scene with over 30 gingerbread creations on display in storefront windows. These sweet creations are made locally by professional and amateur bakers. The 31st Annual Gingerbread Gallery had over 6,000 visitors! We would like to invite you to be a part of one of Syracuse's oldest holiday traditions.
